

Dear members and supporters of Samaj Kalyan Samiti,

I am honoured to share with you the incredible work that this organization has been doing since 1967. It is one of the oldest of its kind in Bihar and is devoted for the betterment of the society.

As the Chairman of Samaj Kalyan Samiti, I have had the privilege of witnessing firsthand, the positive impact, that our social services have had on the lives of countless individuals and families.

The social activities of the Samaj Kalyan Samiti range widely. We provide education to underprivileged children and support women's empowerment initiatives. We offer healthcare and disaster relief service. We have been tirelessly working towards creating a more equitable and just society. We also provide hearse and refrigerated casket services to bereaved citizens of Patna.

But we cannot do it alone. We rely on the support and generosity of our community members and donors to continue with our endeavour.

I urge you all to join hands with the Samiti. Your considerations & contributions, no matter how small, will go a long way in helping the Samiti expand its reach and impact even further. Together, we can create a world where everyone has access to the resources and opportunities they need to thrive.

I am constantly inspired by the resilience and strength of the individuals and communities we serve, and I am proud to be a part of an organization that is committed to uplifting and empowering them.

Thank you for your continued support, and let us work together towards building a better tomorrow.

Earnestly,

Dr. (Mrs.) Sita Mukhopadhaya

Chairman, Samaj Kalyan Samiti
